MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. OPERATING RESULTS OF THE COMPANY

During the Financial Year under consideration the performance of the Company was satisfactory. Net Profit for the year 2015-16 stood at Rs. 39,03,346/- as against Net Profit of Rs. 33,75,769/- in the year 2014-15. Furthermore, the total Revenue for the year ended March 31st, 2016 is 24,32,54,612/- as compared to Rs. 23,40,80,000/- revenue for the year 2014-15.

2. INDUSTRY STRUCTURE AND DEVELOPMENT

The Indian Media and Entertainment (M&E) industry is a sunrise sector for the economy. It is making high growth strides and is witnessing increased corporatization. The country is today producing some of the finest films based on varied subjects and winning accolades on all counts.

The Foreign Direct Investment (FDI) inflows in the information and broadcasting (I&B) sector in the period April 2000 - December 2015 stood at US\$ 4.55billion, as per data released by Department of Industrial Policy and Promotion (DIPP).

3. OPPORTUNITY

The Government of India has supported Media and Entertainment industry's growth by taking various initiatives such as digitizing the cable distribution sector to attract greater institutional funding, increasing FDI limit from 74 per cent to 100 per cent in cable and DTH satellite platforms, and granting industry status to the film industry for easy access to institutional finance.

The Indian Media and Entertainment industry is on an impressive growth path. The revenue from advertising is expected to grow at a CAGR of 13 per cent and will exceed Rs 81,600 crore (US\$ 12.29 billion) in 2019 from Rs 41,400 crore (US\$ 6.24 billion) in 2014.

The television industry is witnessing the mushrooming of more niche channels. Here again, emerging technologies such as broadband, OTH, IP and digitalization will bring about more growth.

4. THREATS

- i) With the increase in business segment, the competition has increased from Domestic and other developed countries.
- ii) Viewers no longer solely want a passive experience with a TV programme.
- iii) An 'access anywhere, any time and on any platform' consumer is having a profound impact on

broadcasters, content owners and post houses – and they need to radically re–think how they set up and integrate their workflows and business processes. With an explosion in content and platforms to view media on, content owners have to fight much harder for the consumer’s attention.

iv) The appetite of the viewers is increasing and nowadays people are not satisfied with the conventional broadcasting only. Broadcasters need to provide their content on all possible carriage ways. New media including IPTV, mobile TV, YouTube, and the like, would complement traditional broadcasting.

The foremost challenges on the technology front are digitization of infrastructure and migration to HDTV. Broadcasters need to define how they traverse on the digitization path and put in serious efforts to decide what services they have to deliver to viewers. Systematic phasing out of analog system in broadcasting is a prominent task to meet the analog switch–off deadlines. Digital TV is not restricted to traditional home devices alone but is also available on personal devices.

5. PROSPECT & OUTLOOK

The management is of view that the future prospects of your company are bright and the performance in the current year is expected to be good. Television industry in India is on a transformation path. Multiple channels in each genre competing with each other for TRP, increasing pay TV penetration, expanding yet fragmented local as well as overseas viewership of Indian channels, demand for more specific content – clearly set the stage for the next level of growth and transition for players across the television value chain. Therefore, the Company needs to be cognizant of the ever increasing demand for differentiated content. While on one hand, new digital content distribution platforms are emerging; on the other hand, new formats of entertainment – computers, mobiles and other handheld devices are gaining importance. Monetization of content through these new opportunities in existing platforms and new media platforms are going to be key focus areas for the management of the Company. This outlook is based on assessment of the current business environment. It may vary keeping in view the further economic & other developments, both in India and abroad in coming future.

6. RISKS AND CONCERNS

The Company has taken adequate preventive and precautionary measures to overcome all the threats prevailing in the industry to ensure steady growth.

7. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

There are well–established procedures for Internal Controls for operations of the Company. The finance & audit functions are well equipped with professionally experienced qualified personnel & play important roles in implementing the statutory obligations. The Company has constituted Audit Committee for guidance and proper control of affairs of the Company.

8. HUMAN RESOURCES

Human Resources are highly valued assets at M/s Sadhna Broadcast Limited. The Company seeks to attract, retain and nurture technical & managerial talent across its operations and continues to create, sustain the environment that brings out the best in our people with emphasis on training, learning & development. It aims at career progression and fulfilling satisfactory needs. Performance is recognized and rewarded through up gradation & job enrichment, performance incentives.

“Senior Managerial Personnel” means the personnel of the company who are members of its core management team excluding Board of Directors. Normally, this would comprise all members of management of rank equivalent to General Manager and above, including all functional heads.

Objective

The objective of the policy is to ensure that

- the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Role of the Committee:

The role of the NRC will be the following:

- To formulate criteria for determining qualifications, positive attributes and independence of a Director.
- To formulate criteria for evaluation of Independent Directors and the Board.
- To identify persons who are qualified to become Directors and who may be appointed in Senior Management in accordance with the criteria laid down in this policy.
- To carry out evaluation of Director's performance.
- To recommend to the Board the appointment and removal of Directors and Senior Management.
- To recommend to the Board policy relating to remuneration for Directors, Key Managerial Personnel and Senior Management.
- To devise a policy on Board diversity, composition, size.
- Succession planning for replacing Key Executives and overseeing.
- To carry out any other function as is mandated by the Board from time to time and/ or enforced by any statutory notification, amendment or modification, as may be applicable.
- To perform such other functions as may be necessary or appropriate for the performance of its duties.

Appointment and Removal of Director, Key Managerial Personnel and Senior Management

- (a) The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend his/her appointment, as per Company's requirements.
- (b) A person should possess adequate qualification, expertise and experience w.r.t. the position for which his/her appointment is considered. The Committee has authority to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory for the position.
- (c) The Company shall not appoint or continue the employment of any person as its Managing Director, Whole-time Director or Manager who has attained the age of seventy years.

Provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution.

Term/Tenure

a) Managing Director/Whole-time Director:

The Company shall appoint or re-appoint any person as its Managing Director, Whole-time Director or Manager for a term not exceeding five years at a time. No re-appointment shall be made earlier than one year before the expiry of term.

b) Independent Director:

An Independent Director shall hold office for a term up to five consecutive years on the Board of the Company and will be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report.

No Independent Director shall hold office for more than two consecutive terms, but such Independent Director shall be eligible for appointment after expiration of three years of ceasing to become an Independent Director.

Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SADHNA BROADCAST LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of "SADHNA BROADCAST LIMITED (FORMERLY KNOWN AS CHIRAU BROADCAST NETWORK LIMITED)" ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its profit/loss and its cash flows for the year ended on that date.

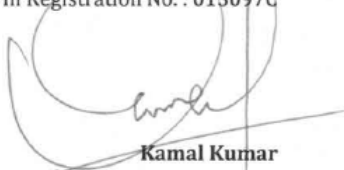

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give a statement on the matters specified in paragraphs 3 and 4 of the Order, refer "**Annexure A**"
2. As required by Section 143 (3) of the Act, we report that:

"ANNEXURE B" REFERRED TO IN PARAGRAPH 2 UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF TRIDENT ENTERTAINMENT PRIVATE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SADHNA BROADCAST LIMITED (FORMERLY KNOWN AS CHIRAU BROADCAST NETWORK LIMITED)** ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI").

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

BACKGROUND AND OPERATIONS

SADHNA BROADCAST LIMITED is a company incorporated on 18th May, 1994 primarily engaged in providing Advertising, Telecasting, Broadcasting and other related services and listed on MCX.

1 Significant accounting policies

1.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

1.2 Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the results of operations during the reporting period. Examples of such estimates include estimates of income taxes, employment retirement benefit plans, provision for doubtful debts and advances and estimated useful life of fixed assets. Actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

1.3 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company, the revenue can be reliably measured and as per the management's assessment no significant uncertainty exists regarding realisation of the consideration.

i) Service Revenue

Income from services is recognised upon completion of services as per the term of contract. Period based services are accrued and recognised pro-rata over the contractual period.

Service revenue comprises of income from advertising services, telecasting services and other services. These are recognised to the extent the amount is billable.

1.4 Expenditure

Expenses are accounted for on the accrual basis and provisions are made for all known losses and liabilities.

1.5 Fixed assets

i) Tangible Assets

Fixed assets are stated at the cost of acquisition including incidental costs related to acquisition and installation less accumulated depreciation. The actual cost capitalized includes material cost, freight, installation costs, duties and taxes, finance charges and other incidental expenses incurred during the construction / installation stage.

Fixed Assets acquired during business acquisitions are accounted for at the fair market value of the assets.

Fixed assets under construction and cost of assets not ready for use before the year-end, are disclosed as capital work in progress.

ii) Intangible Assets

Intangible assets acquired in a business acquisition are recorded at fair value basis determined by the management of the Company. Other Intangible Assets are stated at cost.

1.6 Depreciation /Amortization

Depreciation on fixed assets except leasehold improvements is provided on the straight-line method over their estimated useful lives, as determined by the management, at the rates which are equal to or higher than the rates prescribed under Schedule II of the Companies Act, 2013. Depreciation is charged on a pro-rata basis for assets purchased/sold during the year. The management's estimate of the useful life of the various fixed assets is as follows:

Computers	3 Years	Office Equipments	5 Years
-----------	---------	-------------------	---------

Intangible assets are amortized on a straight line method over their estimated useful lives. The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the

Leasehold improvements are amortised over the lower of the useful life or the period of the lease.

For these class of assets based on internal assessment carried out by technical team , the management believes that the useful lives as

1.7 Leases

Operating leases

Lease payments under an operating lease are recognised as an expense in the profit and loss account on a straight line basis over the lease term.

1.8 Taxation

Income tax expenses comprise current tax and deferred tax charge or credit (reflecting the tax effects of the timing differences between the accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in the future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. Deferred tax assets are reviewed for the appropriateness of their carrying values at each balance sheet date.

1.9 Earnings per share

In determining earnings per share, the company considers the net profit after tax and includes the post tax effect of any extra ordinary /exceptional item. Basic earning per share is computed using the weighted average number of equity shares outstanding during the year. Diluted earning per share is computed using the weighted average number of equity shares outstanding during the year and dilutive equity equivalent shares outstanding at the year end, except where the results would be anti dilutive.

1.10 Impairment of assets

Impairment loss, if any, is provided to the extent, the carrying amount of assets exceeds their recoverable amount.

Recoverable amount is higher of an asset's net selling price, and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

1.11 Provisions and Contingent liabilities

A provision is recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made. A disclosure of a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.12 Borrowing Costs

Borrowing Costs attributable to the acquisition or construction of a qualifying asset are capitalised as part of cost of the asset. A qualifying asset is one that necessarily takes a substantial period of time to get ready for intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

1.13 Investments

Trade investments are the investments made to enhance the Company's business interests. Investments are either classified as long term or current investments, based upon management's intention at the time of purchase. Long term investments are stated at cost and provision is made to recognize any decline, other than temporary determined separately for each investment. Current investments are stated at lower of the cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investments.
