MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. OPERATING RESULTS OF THECOMPANY

During the Financial Year under consideration the performance of the Company was not satisfactory. Net Profit for the year 2021-22 stood at Rs. 30.53 Lakh/- as against Net Loss for the year 2021-22 stood at Rs. 11.11 Lakh. Furthermore, the total Revenue for the year ended March 31st, 2022 is Rs. 2,51,917,000/- as

compared to Rs. 2,24,965,000/- revenue for the year 2020-21.

INDUSTRY STRUCTURE AND DEVELOPMENT

The Indian Media and Entertainment (M&E) industry is a sunrise sector for the economy. It is making high growth strides and is witnessing increased corporatization. The country is today producing some of the finest films based on

varied subjects and winning accolades on all counts.

The Foreign Direct Investment (FDI) inflows in the information and broadcasting (I&B) sector in the period April 2000 - December 2015 stood at US\$ 4.55billion,

as per data released by Department of Industrial Policy and Promotion (DIPP).

2. OPPORTUNITY

The Government of India has supported Media and Entertainment industry's growth by taking various initiatives such as digitizing the cable distribution sector to attract greater institutional funding, increasing FDI limit from 74 per cent to 100 per cent in cable and DTH satellite platforms, and granting industry status to the film

industry for easy access to institutional finance.

The Indian Media and Entertainment industry is on an impressive growth path.

The television industry is witnessing the mushrooming of more niche channels. Here again, emerging technologies such as broadband, OTH, IP and digitalization

will bring about more growth.

3. THREATS

i) With the increase in business segment, the competition has increased from

Domestic and other Developed countries.

ii) Viewers no longer solely want a passive experience with a TV programme.

iii) An 'access anywhere, any time and on any platform' consumer is having a

profound impact on broadcasters, content owners and post houses - and they need to radically re-think how they set up and integrate their workflows and

business processes. With an explosion in content and platforms to view media on,

content owners have to fight much harder for the consumer's attention.

iv) The appetite of the viewers is increasing and nowadays people are not satisfied

with the conventional broadcasting only. Broadcasters need to provide their

content on all possible carriage ways. New media including IPTV, mobile TV,

YouTube, and the like, would complement traditional broadcasting.

The foremost challenges on the technology front are digitization of infrastructure

and migration to HDTV. Broadcasters need to define how they traverse on the

digitization path and put in serious efforts to decide what services they have to

deliver to viewers. Systematic phasing out of analog system in broadcasting is a prominent task to meet the analog switch-off deadlines. Digital TV is not

restricted to traditional home devices alone but is also available on personal

devices.

4. PROSPECT &OUTLOOK

The management is of view that the future prospects of your company are bright and the performance in the current year is expected to be good. Television industry in India is on a transformation path. Multiple channels in each genre competing with each other for TRP, increasing pay TV penetration, expanding yet fragmented local as well as overseas viewership of Indian channels, demand for more specific content - clearly set the stage for the next level of growth and transition for players across the television value chain. Therefore, the Company needs to be cognizant of the ever increasing demand for differentiated content. While on one hand, new digital content distribution platforms are emerging; on the other hand, new formats of entertainment - computers, mobiles and other handheld devices are gaining importance. Monetization of content through these new opportunities in existing platforms and new media platforms are going to be key focus areas for the management of the Company. This outlook is based on assessment of the current business environment. It may vary keeping in view the further economic & other developments, both in India and abroad in coming future.

5. RISKS ANDCONCERNS

The Company has taken adequate preventive and precautionary measures to overcome all the threats prevailing in the industry to ensure steady growth.

6. INTERNAL CONTROL SYSTEM AND THEIRADEQUACY

There are well-established procedures for Internal Controls for operations of the Company. The finance & audit functions are well equipped with professionally experienced qualified personnel & play important roles in implementing the statutory obligations. The Company has constituted Audit Committee for guidance and proper control of affairs of the Company.

Basis for Qualified Opinion

The Company's management has not complied with Section 185, Section 186 and Section 189 of Companies Act, 2013 as all loans and advances granted and taken by the Company does not bear the interest and is detrimental to the interest of the Company. The Company's management has not taken ESI (Employee's State Insurance) and EPF (Employer's Provident Fund) registration and has accordingly defaulted on its payment.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the IndianAccounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

CIN: L92100DL1994PLC059093

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

(Referred to in paragraph 2(f) under "Report on Other Legal and Regulatory Requirements" section of our report to the Members of 'Sadhna Broadcast Limited' of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Sadhna Broadcast Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively or ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained, are sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

CIN: L92100DL1994PLC059093

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting of future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
